

The University of Scranton

FALL 2023

A DAY ON THE COMMONS

OPEN HOUSE

A CATHOLIC & JESUIT UNIVERSITY
FOUNDED IN 1888

A MESSAGE from the PRESIDENT

Dear Friends,

Thank you for joining us for Open House! I am delighted to host you on our beautiful campus where over 50,000 students have gone before you. Everyone you meet today shares a common purpose – to answer your questions about the college search and to tell you why we think The University of Scranton could be the right choice for you.

Our students, professors and staff are genuinely committed to community, a shared value that defines us and for which we are well known. Inspired by our mission as a Catholic and Jesuit institution, we accompany you on your journey of higher education by getting to know you as individuals and helping you achieve your goals and dreams.

It's important that you choose your own path, and with a Scranton degree, we will guide you to the finish. We can make that claim because 99 percent of Scranton's Class of 2022 found success in their career of choice or in graduate studies within one year of graduating.

Experiences at Scranton will expand your view of the world and prepare you well for what lies ahead.

Recently, we greeted one of the largest classes in our history, with members of the Class of 2027 joining us from 15 states. We recognize each person's unique contributions, and pride ourselves on being a welcoming and inclusive campus that embraces diversity.

This year, we celebrate 30 consecutive years of being listed among the top 10 "Best Colleges" in U.S. News & World Report's ranking of master's universities in the North — ranked again at No. 5 in the 2024 edition of the guidebook. This consistent recognition is echoed by The Princeton Review, Forbes and a host of other publications. We derive our greatest fulfillment, though, when our students discover their true potential and find their purpose, regardless of the rankings.

As you explore the campus today, please make yourself at home and know that you are most welcome to join our community here at the University. I hope to see you on the commons, in the library or the dining hall and wearing your Scranton colors!

Thank you for sharing your day with us.

Yours Faithfully,

Joseph G. Marina, S.J.
President
