

The University of Scranton

PREVIEW DAY FOR ACCEPTED STUDENTS

SATURDAY, MARCH 23, 2024

A MESSAGE from the PRESIDENT

Congratulations and very best wishes on your acceptance into the Class of 2028. We are looking forward to welcoming you to Scranton with great eagerness!

The history of our University is filled with examples of alumni who, empowered by a life-changing Scranton education, have made a positive difference in the lives of their families and in communities across our region, our country and the globe. With you, that transformational experience will begin anew.

We are all part of something larger than ourselves, something that God is inspiring us to amplify. At Scranton, we share a dedication to the values of a Jesuit education, and that propels all of our students as they advance in their lives and careers.

The celebration of teaching, scholarship and service, all within the realm of mission, is a sign of a healthy university, as recognized by *U.S. News & World Report*, which ranks us among the top five schools in our region, marking Scranton's place among the top 10 for the last 30 years!

While we appreciate such accolades, rankings can never fully illustrate what you will experience at Scranton as an undergraduate. The word most often used to distinguish Scranton from other universities is "community." Today is the day to start integrating yourself into that community, and so I invite you to tour our facilities and grounds, meet new friends and introduce yourself to members of our impressive faculty. I am certain you will find a second home at The University of Scranton, as many others have during their years here.

Please be assured of my prayers and best wishes for all that lies ahead! Let us be inspired to continue to change the world for the better each and every day.

I hope to see you in the fall. Go Royals!

Yours Faithfully,

Rev. Joseph G. Marina, S.J.
President
